**WASHINGTON TURFGRASS SEED COMMISSION
PROGRESS REPORT FOR 2022 PROJECTS**

Project No.:

Title: Turfgrass Design Typologies In Residential And Urban Landscapes

Personnel: Katherine Kraszewski

Reporting Period: Fiscal Year 2022

Accomplishments:

- Significant literature review completed
- Images created with supporting data
- Research featured in Confernece of Washington Society of Landscape Architecture Article drafting to promote more educated turfgrass application in residential and urban areas.
- Presentation discussed how turfgrass provides a number of distinct social and cultural benefits in addition to its many ecological benefits.

Results:

- Initial data highlights the poor performance of artificial turf as compared to traditional lawn
